Requested Transfer Release Date: ____/____/____

For Students Transferring out to Another School

If you plan to transfer from Kernel University (KU) to another SEVP-certified school, submit this form to the Designated School Official (DSO) to request the transfer of your SEVIS record. You may be applying to many schools, but your SEVIS record can only be transferred to ONE school. A transfer may be canceled before the Transfer Release Date. After the Transfer Release Date, Kernel University will no longer have access to your SEVIS record. The DSO will determine the appropriate Transfer Release Date based on the student's circumstances and applicable SEVIS requirements. The transfer-in school cannot issue your transfer-pending Form I-20 until the SEVIS record is released.

Please complete and return to your Designated School Official(DSO).
